Mohd Faiz

Overview

Mohd Faiz is a dedicated and passionate educator specializing in mathematics and educational pedagogy. He possesses a strong academic foundation, having completed his higher education entirely at Aligarh Muslim University (AMU). His academic journey is marked by consistent first-division academic performances, culminating in an M.Ed. and B.Ed. with a focus on comprehensive teaching methodologies.

He has successfully qualified for several prestigious national-level examinations, including the UGC-NET in Education, CTET, and IIT-JAM, demonstrating a deep command of both his subject matter and instructional theory. In his professional roles as a TGT Mathematics instructor and a Mathematics Expert, he has honed his ability to deliver complex mathematical concepts effectively. He is committed to cultivating a positive, engaging learning environment that fosters critical thinking, analytical problem-solving skills, and a lifelong appreciation for mathematics.
